Friends of The Series

Friends of the Series

- The Howard College Foundation Speaker Series presents speakers whose accomplishments, leadership, and/or public achievements bring new insight and enrichment to the community.
- To supplement the gift of support from the Howard College Foundation, and in order to continue to provide entertainment and lecturers of the highest quality, Howard College has established the "Friends of the Series" program.
- Anyone can participate in the "Friends of the Series" program including individuals, corporations or other charitable organizations. A **$250 – $499** annual donation to the series will qualify a donor in the **"Silver Friends of the Series"** category and will be listed in each program for that year.
- A **$500 – $999** annual donation to the series will qualify a donor in the **"Platinum Friends of the Series"** category. "Platinum Friends" will automatically receive tickets for each speaker once they are made available and will be listed in each program for that year.
- A **$1000 or more** annual donation to the series will qualify a donor in the **"Gold Friends of the Series"** category. The "Gold Friends" will receive the benefits of Silver and Platinum Friends and, in addition, will have opportunities to meet our artists and speakers at receptions held in connection with each event, as well as other special opportunities related to the Series.
- If you or your organization would like to become a "Friend of the Series", or your organization is interested in becoming an official sponsor of the Howard College Foundation Speaker Series, please contact Brenda Madore to further discuss the options available.
- We will be happy to send you a receipt in acknowledgment of your generous gift.

Thank you in advance for your support of Howard College and the Howard College Foundation Lecture Speaker Series.
