◇ Work Experience

Website Design Internship

Modern Campus

August 2026-Present

- Redesigned university client websites using Modern Campus CMS, CSS formatting, and reusable components to improve digital experiences.
- Built and published live webpages using HTML/CSS snippets and CMS components, translating content and design requirements into accessible interfaces.

Graduate Assistantship- Website Design and Development

UNC School of Education

August 2026-Present

- Managed and uploaded VR-compatible content with the program director to support immersive digital experiences for Website 360 Exchange.
- Developed AI-assisted HTML codes to design and implement website interfaces for Tar Heel Live, translating program needs into user-centered digital experiences.

Digital Publications Editing Internship

Stockton University ARHU

September 2025-December 2025

- Transcribed and digitally edited early 19th-century letters for the Massachusetts Historical Society, applying HTML markup and CMS conventions to prepare archival content for online publication.
- Contributed to the digital edition project that was recognized with the 2025 Recovery Hub Digital Edition Prize.

Constitution Day Fellowship

William J. Hughes Center for Public Policy

July 2025-September 2025

- Selected as one of six student fellows to research keynote speaker Mary McCord, reviewing her published work and congressional testimony to prepare event materials and discussion points.
- Supported event execution and led promotional efforts through the fellowship's Instagram takeover, expanding audience engagement and visibility for the program.

Alliance Heritage Research Internship

Stockton University ARHU

January 2023-May 2023

- Curated and reviewed historical materials for potential museum display, evaluating their relevance and presentation value.
- Communicated actionable recommendations to the project coordinator to support exhibition planning and project development.
